

Newport County Driving School
Behavioral Expectations

I agree to abide to the following rules:

1) BE ON TIME. I will be in my assigned seat and ready to work when the class begins.

2) CLEAN UP MY MESS. All garbage should be thrown in the garbage cans in the front or back of the classroom before I leave for the day.

3) RUDE BEHAVIOR WILL NOT BE TOLERATED. When dealing with the instructor and classmates, I will act as a mature young adult who displays self-control and self discipline.

4) DO NOT MOVE FROM ASSIGNED SEATS. When class is in session, I will remain in my assigned seat.

5) PROPER USE OF CELL PHONE: I will use only my cell phone to complete drivers ed assignments, and take quizzes on the Google Classroom. I will not text, use social media, play games, and/or stream.

6) NO EARPODS: I will not use my earpods unless the instructor has given me the permission to use them.

I understand the above behavioral expectations for my drivers education class and that failure to follow the expectations listed above will result in me being sent home from that day's class which can be made up in the next upcoming class, provided that there is room in that session.
